## inHEALTH'S LAT Compendium

### Subscription Activation Tutorial

3. **Login** to inHEALTH's LAT Compendium via <https://inhealth.ca/login/>. Once logged in, users will be redirected to inHEALTH's LAT Compendium.
4. **Change your password:** Users can change their passwords at any time. In order to change your password, once logged in, you will have to click 'profile' in the toolbar on the right-hand side of the page. To change your password simply go to "Generate Password" under "Account Management" from your User Profile tab on the Dashboard. Click on "Generate Password" and then click update profile. Your password has now been changed! ***\*Note that your username must be different than your nickname for you to successfully update your profile.***

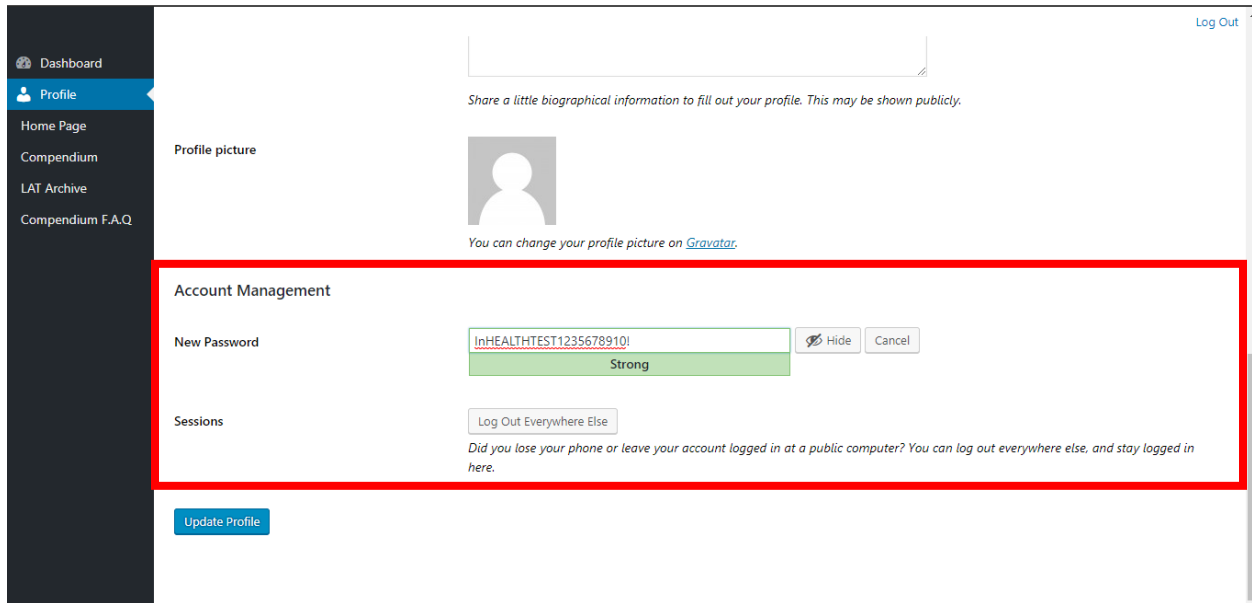

The screenshot shows a web browser window displaying the inHEALTH website. The page title is "Licence Appeal Tribunal (LAT) Automobile Accident Benefits Service (AABS) Compendium". The main content area describes the Compendium as a relational database providing access to abbreviated results and direct links to CANLII decisions. It lists several benefits of the Compendium, including complete risk assessment, guide decision-making, drive effective and efficient evaluation, and prepare for LAT proceedings. A blue button at the bottom of the page says "Please clear your cache before trying to access the Compendium after activating your subscription."

On the right side of the page, there is a user profile menu. The menu items are "Dashboard", "Profile", and "Log Out". The "Profile" item is highlighted with a red box, indicating it is the next step in the tutorial. Below the profile menu, there are links for "Frequently Asked Questions", "Archive of Updates", and "LAT Rules of Practice and Procedure". A blue chat button at the bottom right says "Questions? Let's Chat".
